Dear client,

This is to inform you about the deadlines for crediting deposits to the building savings account with Modrá pyramida stavební spořitelna, a.s. so as to ensure that you become entitled to the **government support for 2026**.

The deadlines and possible payment methods apply both to existing and newly concluded building savings agreements; the "Proposal to conclude a building savings agreement" **can be drawn up by 31 December 2026 electronically using the KB+ application or through a relationship manager,** using the option of making a super express deposit with Komerční banka, a.s. – **see the table below.**

To understand how to make a building savings deposit that will be posted in accounts before the end of 2026, see the following overview:

- **Transfer from an account with Komerční banka, a.s.**

We provide only a brief overview of the latest deadlines for the submission of transfer orders in 2026.
