Article V Rights and Obligations of Shareholders

Section 5

(1) Both legal entities and natural persons (individuals) may become shareholders of the Bank.

(2) Any shareholder is entitled to attend the General Meeting and to vote thereat, to request and receive explanation regarding matters concerning the Bank or entities controlled by the Bank, if such explanation is necessary for the assessment of the content of the matters included in the General Meeting agenda or for the exercise of his shareholder rights thereat. The explanation can be provided in the form of a summary answer to several questions of similar content. The shareholder shall be deemed to have received an explanation also if the information was posted on the Bank's website no later than on the day preceding the day of the General Meeting and is available to shareholders in the place where the General Meeting is held. Any shareholder is entitled to file proposals or counter-proposals to matters included in the General Meeting agenda. Should a shareholder intend to file a counter-proposal to matters included in the General Meeting agenda, he shall deliver the counter-proposal to the Bank in reasonable time prior to the General Meeting, however, no later than 10 days prior to the General Meeting. The above shall not apply provided that the proposals regard the election of specific persons to the bodies of the Bank. These individuals must meet the requirements set forth by the generally binding legal regulations for the performance of their service. The Board of Directors shall inform shareholders of the wording of the shareholder's counter-proposal and the Board's opinion thereon in the same manner as used for convening the General Meeting. This shall not apply if the notification was delivered less than two days prior to the date when the General Meeting is held, or if the cost thereof was grossly disproportionate to the significance and content of the counterproposal, or if the text of the counter-proposal contains more than 100 words. If the counter-proposal contains more than 100 words, the Board of Directors shall notify shareholders of the core of the counter-proposal and their opinion thereon and post the counter-proposal on the Bank's website. Any shareholder has the right to make proposals regarding matters which will be included in the agenda of the General Meeting also before the publication of the Notice of General Meeting. The Board of Directors shall publish each proposal that will be delivered to the Bank no later than seven days prior to the publication of the Notice of General Meeting and their opinion thereon together with such Notice.

3) The shareholders shall be entitled to exercise their rights at the General Meeting either in person or through a natural person or legal entity (a proxy) under the terms and conditions specified by law (hereinafter referred to as "the Attending Shareholder"). The proxy must be in writing and must show whether it may be used by the proxy holder to represent the principal at one or more General Meetings. A form of proxy is available to shareholders either in paper form at the Bank's head office or on the Bank's website from the day of publication of the Notice of General Meeting. The Bank shall make it possible for shareholders to send a notification of the grant of a proxy to a person appointed to represent a shareholder at the General Meeting or of the revocation of such proxy electronically. The notification must be furnished with a guaranteed electronic signature established on the basis of a qualified certificate issued by an accredited certification service provider. Should a notification fail to allow the Bank to make a clear identification of the signatory, the Bank shall have a right to request that the notifier indicate the certification service provider that issued his certificate and that keeps his records, or that the notifier attach the certificate to the notification and give consent to the disclosure of his personal data by the certification service provider, so that the Bank may verify his identity. Should the verification of the notifier's identity not be possible, the shareholder's proxy must submit his proxy upon registration at the General Meeting. This fact shall be notified to the notifier by the Bank, if possible, to the e-mail address indicated by the notifier. The details on the receipt of such notifications and the requirements with respect to their content shall be specified by the Board of Directors on the Bank's website www.kb.cz. When being registered as present at the General Meeting, the shareholders shall provide evidence of their identity by means of an identity document. In addition, a member of a governing body of a shareholder that is a legal entity shall also submit an up-to-date excerpt from the relevant public register or another document evidencing his right to act on behalf of the company concerned, When being registered as present at the General Meeting, the shareholder's proxy shall provide evidence of his identity by means of an identity document and shall submit a written proxy, unless the law provides otherwise. A person registered with the uncertificated securities registry as an administrator or as a person authorized to exercise rights attached to a share does not need to submit a proxy. A representative, whose right to represent a shareholder arises from a fact other than a proxy, is obliged to provide evidence of this fact.

(4) The General Meeting may be attended by any shareholder registered in the statutory register of securities as a owner of shares of the Bank as of the seventh calendar day prior to the date of the General Meeting (i.e. the decisive date for the right of the shareholder to attend the General Meeting). The Bank's Board of Directors shall place an application for an excerpt from the statutory register of securities as of the decisive date. Persons that are designated by the CNB in the statutory register of securities, persons not mentioned therein, or persons empowered by these persons may not attend the General Meeting.

(5) The voting right belonging to a shareholder is governed by the nominal value of their shares; each CZK 500 of the nominal value of the shares shall represent one vote. The vote shall not be further divisible. Votes shall be cast by ballot. The proposal of the Board of Directors or, as the case may be, the proposal of the Supervisory Board, if it convened the General Meeting, if any, shall be voted upon first. Should the proposal of the Board of Directors or of the Supervisory Board, if it convened the General Meeting, be accepted, other proposals shall not be voted upon. Other proposals shall be voted upon in the sequence in which they were filed. If a notarial record is to be drawn up concerning the resolution of the General Meeting, the Chairman of the General Meeting shall be obliged to administer the casting of votes in such a manner that a notarial record of the resolution of the General Meeting containing all statutory requirements may be drawn up.

(6) Any requests for explanation shall be made by the Attending Shareholder orally upon invitation by the Chairman of the General Meeting or in writing and placed at a designated place. Each shareholder has a limited time to present his proposal; the time limit shall be 10 minutes maximum. Any shareholder's proposal or counterproposal made in writing may be presented by the Chairman of the General Meeting. The Chairman of the General Meeting shall be obliged to ensure that all requests for explanation of matters be answered, as long as such matters form the subject of the agenda of the General Meeting and the requests are made in the course of the General Meeting in accordance with these Articles of Association. If an explanation cannot be provided due to its complexity, it shall be provided to shareholders within 15 days of the day of the General Meeting. The wording of the answer shall be available to shareholders on the Bank's website. Any Attending Shareholder shall be entitled to request that the minutes clerk of the General Meeting include a protest concerning a resolution of the General Meeting in the minutes of the General Meeting.

(7) The right to receive a share of the profit, the pre-emptive right to subscribe for shares and convertible and priority bonds and the right to an interest in the liquidation balance otherwise associated with a share may be transferred separately.

(8) The shareholder or shareholders of the Bank holding shares the total nominal value of which reaches at least 1 % of the Bank's registered capital may:

- a) request that the Board of Directors convene a General Meeting in order to discuss the matters proposed by them, provided that each item of the proposal is accompanied with a draft resolution or with a justification;
- b) request that the Board of Directors include issues specified in their request in the agenda of the General Meeting, provided that each item also includes a draft resolution or that its inclusion is justified;
- c) request that the Supervisory Board examine the exercise of powers by the Board of Directors with regard to the matters specified in the request;
- d) under the conditions set forth by the Corporations Act seek on behalf of the Bank a compensation for loss from a member of the Board of Directors or of the Supervisory Board or the discharge of their possible duty arising from an agreement for the settlement of loss incurred by the Bank due to a breach of the duty of due care or the payment of the issue price from a shareholder who is in default of its payment, and to represent the Bank in such proceedings;
- e) apply to a court of justice for the appointment of an expert in order to examine the report on relations between the controlling entity and the controlled entity and between the controlled entity and the entities controlled by the same controlling entity (hereinafter called "the report on relations"), should he believe that the report on relations was not worked out duly;
- f) seek a compensation for loss from an influential person if such person causes loss to the Bank.

(9) No shareholder shall be entitled to demand that the investments the shareholder invested in the Bank in order to acquire or increase their holding in the Bank be returned either in the course of the Bank's existence or upon its winding up. However, in the event of the Bank's dissolution and subsequent liquidation, the shareholders shall have the right to an adequate interest in the liquidation balance of the Bank.

(10) Any shareholder shall be entitled to ask the Board of Directors to produce a copy of the minutes of any General Meeting or a part thereof throughout the Bank's existence. Such request shall be in writing. The copy of the minutes or a part thereof shall be made at the expense of the Bank. The copy of the minutes or a part thereof shall be available to the shareholder no later than within thirty days from the date of receipt by the Bank of the shareholder's request, however, not earlier than on the sixteenth day following the end of the General Meeting concerned.

Section 6 Share in Profit

(1) The shareholder shall be entitled to a proportion of the Bank's profit (a dividend) which was approved for distribution to the Shareholders by the General Meeting taking into account the Bank's financial results and the payment of which was decided upon by the Board of Directors based on the fulfilment of the terms and conditions specified by the generally binding legal regulations. .

(2) The Board of Directors may give an order to the person authorized to maintain the central register of uncertificated securities for registration of separately transferable rights to a share in the profit payable.

(3) The record date to assert the right to a share in profit is the same as the record date for a shareholder to be entitled to attend the General Meeting. The right to a share in profit shall thus belong to any shareholder owning shares on the seventh calendar day prior to the date of the General Meeting which approved the share of the profit to be distributed among shareholders. The share in profit shall become payable upon expiration of thirty days following the date of the General Meeting which took the resolution on the distribution of profit.

- (4) The Bank shall pay out the share in profit as of the due date for the payment of the share in profit either:
- a) in cash at sales points of the Bank or
 - b) by bank transfer from the Bank's account to the shareholder's or administrator's account upon shareholder's request.

(5) Where a share in profit is remitted to legal entities by bank transfer, the Bank shall remit the share in the profit no later than within five working days of receiving the required documents, however, on the due date for the payment of the share in the profit at the earliest. The required documents shall be as follows: a request for the payment of a share in the profit containing the relevant banking details and an updated and officially verified statement from the competent public registry or another document proving the existence of the legal entity. The signature of a member of the shareholder's governing body (or its representative) subscribed at the request for the payment of a share in profit must be attested. In addition, if a shareholder is represented by another legal entity or natural person, such representative shall be obliged to deliver officially verified powers of attorney from all entities so represented with the exception of the security administrator entered in the central register of uncertificated securities, and its updated and officially verified excerpt from the competent public register or another document proving its existence. If the excerpt from the issue's register only states the information about the share's administrator, the shareholder shall be obligated to submit a property account statement of the security's owner. The Bank shall not assume responsibility for the accuracy and completeness of the data stated by the shareholder.

(6) The Bank's obligation to pay the share in profit, in the event of a bank transfer, shall be discharged upon debiting the dividend from the Bank's account.

(7) The right to claim a share in profit shall lapse 3 years from the day when the shareholder learnt of the due date for the payment of the share in profit or when he could or should have learnt this, however, no later than within 10 years of the due date. .

(8) The information on the proposed profit share amount and the information about the method of its payment shall be published by the Board of Directors in the notice of General Meeting and on the Bank's website 30 days prior to the date of the General Meeting. The results of the vote on profit share payment shall be made public by the Board of Directors without undue delay after the General Meeting on the Bank's website and on www.londonstockexchange.com.

(9) Based on a resolution of the General Meeting, profit share payment may take the form of Bank's treasury shares instead of money.
