basic interest rate + fixed bonus interest rate			0,50	0,01	0,00

³⁾ Bonus amount is determined from the minimum balance in a given bonus period. In this context, we also consider the Savings Account initial deposit.

⁴⁾ In order for the bonus interest rate for regular investments to apply, a client must invest at least CZK 1,500 in the below defined funds (see Section 4 hereof)

in each month of the bonus period. The bonus interest rate for regular investments is valid in the bonus period from 01/01/2023 to 30/6/2023. The bank may apply the bonus interest rate for regular investments even if the terms and conditions for regular investments are only fulfilled partially.

⁵⁾ The bonus is paid during the bonus period if the client invests funds into the funds defined below on the basis of a contract concluded with Komerční banka or into the contracts defined below:

Credits

Entrepreneurial Credits

Interest rate of credit is set up individually in the credit contract. It can be fixed or floating. In case of a floating interest rate, it is tied to PRIBOR or to RS KB in CZK or to KRS KB.

General Terms and Conditions

Interest rates are specified in % per annum.

This Notification shall become effective on 04/05/2023, unless commercial terms and conditions already agreed upon stipulate another mode of setting interest rates. Specific terms and conditions of each particular business deal shall be stipulated in a contract to be concluded pursuant to Act No. 89/2012 Coll. - Civil Code as amended. Credit interest rates with fixed rate and margins to floating interest rates shall be invariable on condition that the Client adheres to terms and conditions agreed upon in the respective credit contract.
