! \* The deposit balance increment fee is charged annually as at 31 December and is calculated on the positive difference between the total balance as at 31 December and the highest of the following three values:

- average total annual balance for the period from 1 October of the preceding year to 30 September of the relevant year, or
- an amount equalling EUR 4 million or its equivalent in a foreign currency, while into a total volume of client deposits as at 31.12. of the relevant year are also included all outgoing payments to other banks made on this day, with the exception of payments made and at the same time accrued to the beneficiary's account in another bank as at 31.12. of relevant year.

The total balance is the sum of funds deposited in all of the client's current and term accounts, with the exception of term accounts with individual interest rate. Komerční banka, a. s., pobočka zahraničnej banky is authorized calculate fee annually and the fee is payable no later than on the fifth business day of February of the following year, while is authorized to deduct it from client's account no later than last day of March of the same year. If the client has no selected any account for fees, Komerční banka, a. s. pobočka zahraničnej banky deduct the fee from any of his accounts.

*For converting foreign currencies into EUR and vice versa, the ECB's current rate is used.*

\*\* The fee is calculated daily (actual/actual day count), if the daily balance exceeds the above limit on the aggregate sum of all client's current and term accounts in Komerční banka, a. s., pobočka zahraničnej banky in the relevant currency. Term deposits with an individual interest rate are excluded from the deposit base subject to the fee. Komerční banka, a. s., pobočka zahraničnej banky is entitled to charge the fee monthly in the currency of the relevant account whereas the fee shall become due and payable no later than on the fifth Business Day of the next succeeding month. The fee may not be debited from the client's account after the last day of the same month. If the client has not selected a specific fee account, Komerční banka, a. s. pobočka zahraničnej banky shall be entitled to debit the fee from any of the client's accounts at its discretion.

## GENERAL SETTLEMENTS

1. For selected types of accounts of certain customer groups, individual rates for fees may be determined in accordance with the commercial policy of Komerční banka, a.s., pobočka zahraničnej banky.
2. Conversion in terms of accounts in foreign currency (premium, discount) represents 3%.
3.
  - a. In terms of settlements from abroad and settlements at home in foreign currency, the client receives settlement in full without a fee being charged, in case it is a payment carried out without expenses for the recipient (settlement with OUR fee). If the minimum fee exceeds the amount of payment, the fee is not charged (does not apply to SEPA Direct Debits).
  - b. In terms of settlements abroad and settlements at home in foreign currency, the client pays fees according to the type of fee chosen.
  - c. In terms of settlements abroad and settlements at home in foreign currency marked BEN or SHA, the client pays additional fees of other banks, which are charged to Komerční banka, a. s. pobočka zahraničnej banky (in the case of payment of low amounts).
  - d. Fees in Foreign payment services are billed at the equivalent value of the pertinent currency using the Komerční banka, a. s. pobočka zahraničnej banky middle foreign exchange rate.
4. In case of payments performing to abroad, the foreign bank may charge the party making the payment order additional fees in the event of stipulation of incomplete or incorrect information about the recipient of the payment, as a result of which the payment could not be processed automatically (incorrect account number for the recipient, incorrect bank details). The level of additional fees depends on the specific conditions of the pertinent bank and will be cleared from the account of the party ordering the payment.
5. Komerční banka, a. s. pobočka zahraničnej banky, is entitled, apart from the charges as stipulated in this price list, to also charge compensation for all fees paid to an administration or other authority (e.g. fees for a statement from the commercial register and similar) in the event of requirement to ascertain or check identification or other personal details (e.g. if the client fails to report a change in the commercial register etc.).
6. Komerční banka, a. s. pobočka zahraničnej banky and the Client have explicitly agreed that in cases when the valid Act No. 492/2009 Coll. on Payment Services and on amendments and supplements to certain acts (hereinafter the "Act") or other legal acts enable departure from certain provisions of the Act in the case that the Client is legal person, those of such provisions of the Act, or their parts respectively, which contravene the Contract (including documents forming its part) shall not apply to the contractual relationship established by the Contract. Such provisions of the Act, or their parts respectively, shall also not apply if they contravene any amendments to the Contract, or documents forming its part, which will be carried out in a manner agreed therein.
