Please read this document thoroughly. We shall gladly answer any of your questions.

Article 1. Providing and Renewing the Debit Card

- 1.1 Application for the provision of the card.** You may apply that the debit card be provided to you or to any third person. In justified cases, we shall be entitled to reject your application and not to provide the card. We shall not provide the card to the Holder, either, in case that he/she cannot be identified in compliance with law¹ or the data and information on the Holder we have in our files differ from those contained in your application.

- 1.3 Authorisation to collect the debit card.** The Holder may authorise a third party to collect the debit card in person. In that case, the PIN code shall be delivered to the Holder by post or in another manner.
- 1.4 Delivery of a damaged envelope.** If the Holder refuses to accept a damaged envelope containing the debit card or information about the PIN code, he/she must immediately notify the Client's Point of Sale, which shall ensure that a new card and PIN code are provided. We guarantee that the manner in which the PIN code is generated and distributed is not known to anybody else but the Holder.
- 1.5 Activation of the debit card.** All cards provided by us, except for Deposit Cards and debit cards – virtual cards, are provided as inactive. The process of activation of a card is described in the Guide. The Holder shall not be entitled to use the card until it is activated.

- 1.7 Failure to accept or activate the debit card.** If the Holder refuses to accept the debit card or fails to activate it within 360 calendar days from the receipt of our notification, or from the date at which the card has been dispatched through the agency of a provider of postal services, or from the acceptance of the card, the card shall be cancelled, and so shall an activated Digital Card, if any, and the related extra services provided pursuant to Article 7 hereof. - 1.8 Renewal.** We shall provide the Holder with a new debit card before the expiry date of the old one. In case of a card with a personalised design, we shall provide a new card displaying the latest approved personalised design available at the moment of manufacturing of the new card. The last sentence applies also to a card renewed in accordance with Article 8.4 hereof. In case of a card with a personalised design from our selection, we shall nonetheless be entitled to provide you with a new card with another design from our selection at any time throughout the validity term of the card and to put the original card on the Blacklist; this shall also apply in cases where a card is renewed, including the renewal pursuant to Article 8.4 hereof, in which case you shall have to return the blacklisted card to us. We shall not be obliged to renew the card in case that it had not been used for last 12 months before its expiry date.

TERMS AND CONDITIONS APPLYING TO DEBIT CARDS

Article 2. Debit Card

- 2.1 Ownership.** We are the exclusive owner of the debit card. By accepting the card, the Holder becomes entitled to use the card in accordance with the Contract. The Holder is not allowed to make any changes and/or alterations to the card or to copy it. After the right to use of the card expires, the Holder shall be obliged to give the card back to us without any unnecessary delay or to destroy it with scissors. Failing this, it shall be deemed a considerable breach of the Contract and you shall be held fully accountable for possible misuse of the card. You shall be obliged to recompense us, without any unnecessary delay, for any subsequent loss and amounts of settled transactions.
- 2.2 Non-transferability.** The debit card is non-transferable. The Holder shall not allow any individuals that are not identical with himself/herself to use the card.
- 2.3 Functioning and the signature strip.** Unless we agree otherwise, the provided debit card shall be contactless, as a rule a plastic card with a chip. The card bears a signature strip. The Holder is obliged to put his/her signature to the signature strip immediately upon the receipt of the card. You may also convert the debit card into a Digital Card, provided that we make it possible as part of services provided by third parties, e.g. Google Play, Garmin Pay, Fitbit Pay. The manner of activation and use of the Digital card is described in the Guide.
- 2.4 Personalised design.** We can make the debit card with your personalised design under the terms and conditions set forth in the Guide and Notice on the Design.
- 2.5 Personalised design and compensation for damage.** You shall be obliged to recompense us for any damage possibly suffered, particularly in connection with an infringement of copyright or any other rights of third parties, or with placing the your personalised design on the debit card, or in the event that you fail to return back to us the card with a personalised design from our selection that was blacklisted pursuant to Article 1.8 hereof.
- 2.6 Replacing a debit card type.** If, throughout the effective period of the Contract, the type of the card originally agreed upon in the Contract is replaced by a new one, we shall be entitled to provide to the Holder a card of the new type. The same shall apply if a Card Association whose logo is displayed on the card is replaced by another one.
- 2.7 Settlement authorisation.** By signing the Contract, you authorise us to settle any and all transactions made with the debit card, as well as any and all fees and costs relating to the use of the card, by debiting them from the Account or, alternatively and temporarily, from your other account held with us, this all based on your request and under our terms and conditions.

Article 3. Fee for the Use of the Debit Card

- 3.1 Fee for the debit card and its payment.** You shall pay us a fee for the provision and use of the card as per the Tariff of Fees. If the fee is charged annually, you shall pay it in advance for the next year, always on the 9th day after the card has been made out and, in each subsequent year, as long as the card is valid, always on the 13th day of the month following the month in which the card has been made out. If the fee is charged monthly, you shall pay it always by the 13th day of a month. You hereby undertake to keep sufficient funds in the Account to cover required fees until we deduct them.
- 3.2 Annual fee refund.** You shall not become entitled to a refund of the paid annual fee for the use of the card if the debit card ceases to be valid before the expiry date. Upon the termination or cancellation of the Contract, we shall refund to the Qualified Client a proportional part of the annual fee charged as per the Tariff of Fees.
- 3.3 Fees for Banking Services and their payment.** Fees for the Banking Services provided to you in connection with the use of the debit card are set forth in the Tariff of Fees and shall fall due as at the moment of the provision of a specific Banking Service.

Article 4. Use of the Debit Card

- 4.1 Use.** The Holder should use the debit card in accordance with the Contract. You and the Holder shall be liable for making sure that the card is not used against the law of the place where it is being used. In accordance with the manner in which the functioning of the card is set or, alternatively, for security reasons, we shall be entitled to reject certain operations made using the card and/or some kinds of transactions as such. We shall not examine whether or not a specific transaction made using the card is justified.
- 4.2 Weekly limits.** The Holder shall be entitled to execute transactions using the debit card up to the weekly limit (cap) arranged in the Contract or based on your request and under our terms and conditions. Due to

TERMS AND CONDITIONS APPLYING TO DEBIT CARDS

serious reasons, in particular those of technical nature, we shall be entitled to change the limit at any time, of which we shall notify you. Depositing cash through an ATM machine (cash point) has no effect on the weekly limit arranged for the card.

- 4.3 Drawing funds up to the balance or permitted overdraft (authorised debit balance).** The Holder shall only be entitled to draw funds using the debit card up to the current balance of the Account or up to the permitted overdraft (authorised debit balance), if it has been arranged, taking heed of all other transactions debited from the Account.
- 4.4 Blocking of funds in case of On-Line Transactions.** Starting from the moment at which we approve an On-Line Transaction made using the debit card (the moment of an authorisation request concerning the card and balance in the Account) until the settlement of the transaction, we shall be entitled to block in the Account an amount of money equal to the amount of the transaction specified in the authorisation request and, consequently, reduce the available balance in the Account by the aforesaid amount. The blocked amount may differ from the actual transaction amount we shall eventually debit. A cancellation of the blocking of the funds does not necessarily mean a cancellation of the transaction as such; consequently, the transaction may eventually be settled. If the transaction is an international transaction and the Account is denominated in CZK, the amount to be blocked in the Account shall be converted from the original transaction currency to CZK using the Card Association's rate. If the Account is denominated in a foreign currency, the amount to be blocked in the Account shall be converted from the original transaction currency to CZK using the Card Association's rate and then from CZK to the currency in which the Account is denominated using the current "*deviza prodej*" Exchange Rate (foreign currency mean rate – cashless). In case the Account currency corresponds to the transaction currency, there is no conversion and the card hold is created using the original amount. If the transaction is denominated in CZK and the Account is denominated in a foreign currency, the amount to be blocked in the Account shall be converted from CZK to the foreign currency using the current "*deviza střed*" Exchange Rate (foreign currency mean rate – cashless). The manner in which the Exchange Rates are used during the blocking and the subsequent settlement is clearly described in the Guide.
- 4.5 Information on the Account balance.** Information on the Account balance might not, in certain cases and for technical reasons, reflect the current situation and the most recent changes, particularly with respect to debit card transactions. In case of the On-Line Transactions, any changes to the current balance are usually registered in the payment cards authorisation system immediately. Starting from that moment of the execution of the On-Line Transaction, the amount of the given transaction shall be blocked and we shall decrease the available balance in the Account by the aforesaid amount. Funds may similarly be blocked in the Account also in case of certain Off-Line Transactions. In case of Off-Line Transactions where funds have not been blocked, the balance in the Account shall not be decreased by amounts of such transactions until they are settled. The Holder's obligation referred to in Article 4.3 hereof shall not be affected by the aforesaid.
- 4.6 Authorisation of transactions.** The Holder shall be obliged to authorise individual transactions in a manner specified in the Condition and, particularly, in the Guide. Depending on a specific type of a transaction, the authorisation may be performed by entering the PIN code, attaching the holder's signature, holding the debit card close to a payment terminal, entering required information on merchant's website, communicating required information to the merchant, or entering the card date, in certain cases along with a single-purpose 3D Secure transaction password when a payment to a merchant is made via Internet. This concerns particularly the following transactions: authorizing of standard transactions executed using payment terminals, authorizing of contactless card transactions, authorizing of transactions executed without the direct use of a card, authorizing 3D Secure payments, and authorizing of transactions executed using ATM machines (cash points).
- 4.7 Authorisation of Internet transactions.** The Holder may use the debit card to make Internet transactions in accordance with the parameters set forth in the Contract. The parameter changing procedure is described in the Guide.
- 4.8 3D Secure.** All debit cards we provide are 3D Secure active cards.
- 4.9 Non-execution of 3D Secure transactions.** We shall be entitled not to execute 3D Secure transactions if we have a reasonable suspicion that the debit card used during the transaction has been misused. We shall allow the 3D Secure transaction as soon as the reasons for suspicion that the card has been misused cease to exist.
- 4.10 Annulment of transactions.** Having authorised a transaction, the Holder shall not be entitled to annul it.
- 4.11 Settlement of transactions.** We shall debit/credit the transactions, which we receive for processing, from/to the Account on each Business Day. We cannot influence or preclude the processing of transactions that have been forwarded by a merchant's bank for clearing, or the length of the period between the execution of a transaction and debiting the funds from the Account, as it primarily depends on how soon a relevant merchant presents to us payment receipts and documents necessary for the settlement of

TERMS AND CONDITIONS APPLYING TO DEBIT CARDS

a transaction a belated settlement of a transaction therefore cannot be the sole ground for complaint against an already settled transaction.

Amounts of transactions that fall within the scope of the international clearing shall be recalculated to EUR using the Card Association's rate. Only if a transaction is denominated in EUR, no recalculation using the Card Association's rate shall occur.

If the Account is denominated in CZK, the amount expressed in EUR obtained from the Card Association shall be converted to CZK using "deviza prodej" Exchange Rate (foreign currency sell rate – cashless), effective as at the moment of the transaction settlement, and the resulting amount shall be debited from the Account.

If the Account is denominated in a foreign currency, the amount expressed in EUR obtained from the Card Association shall be converted to CZK using "deviza prodej" Exchange Rate (foreign currency sell rate – cashless). This amount expressed in CZK shall be subsequently converted to the currency in which the Account is denominated using "deviza nákup" Exchange Rate (foreign currency buy rate – cashless) effective as at the moment of the transaction settlement, and the resulting amount shall be debited from the Account. Only if the Account is denominated in EUR, the foregoing shall not apply but the amount expressed in EUR obtained from the Card Association shall be debited from the Account.

In case of domestic clearing whereby a transaction is denominated in CZK while the Account is not kept in CZK, such transactions shall be debited from the Account using our "deviza nákup" Exchange Rate (foreign currency buy rate – cashless). If the original transaction and the account are denominated in the same currency, no conversion occurs.

If an already executed Debit Transaction is accompanied with a Credit Transaction through the agency of a merchant whose transaction is processed by another bank, we shall not be held responsible for a possible difference between the recalculated amounts resulting from the fact that some time has elapsed between the settlement of the Debit and Credit Transaction.

The manner in which the transactions made via the Payment to the Debit Card are cleared is specified in the Guide.

- 4.12 Costs charged in case of a breach of the Contract.** We shall be entitled to debit to the Account any costs incurred as a result of a breach of the Contract committed either by you or by the Holder.
- 4.13 Transaction statements.** We shall inform you about settled transactions made using the debit card by an Account statement or, as the case may be, by a special statement under the terms agreed upon in the Contract. Fees for provided services and executed transactions shall be listed separately.
- 4.14 Other services.** Other services are provided along with the debit card, such as the Dynamic Currency Conversion, Cash Back, and Emergency Services, under the terms and conditions specified in the Guide.
- 4.15 Limitation of services.** We reserve the right to alter or cancel the setting of the debit card parameters, or to change, suspend, hold up or cancel some or all of services provided in association with the card at any time, in particular due to circumstances of a technical/technological nature.
- 4.16 Suspending/blocking the debit card.** We shall be entitled to suspend/block the debit card, including its digital version, i.e. the Digital Card, temporarily for serious reasons, particularly those of a security nature, even without the Holder's consent. We shall inform the Holder about the suspending/blocking and about reasons for such a step in advance, or if advance notice is not possible, immediately after the suspending/blocking of the card. We shall notify the Holder of the suspending/blocking over the telephone, by a text message (SMS) or via electronic mail at the number/address that has been communicated to us. We shall either re-activate the debit card or put it on the Blacklist and subsequently provide the Holder with a new one, after the security risk has passed.
- 4.17 On-line administering the debit card.** You shall be allowed to change/amend your identification data and debit card parameters agreed upon in the Contract, or authorise a third party to do so on your behalf, including submitting a new application for a card, under the terms and conditions stipulated by us, provided that we make it possible for you to do it via a relevant Internet banking service.
- 4.18 Locking the debit card.** The Holder shall be entitled to lock his/her debit card, including the Digital Card, i.e. to disable any On-Line Transactions, as part of on-line administering or based on his/her request, under the terms and conditions stipulated by us. By locking the debit card (plastic card), its digital version shall also be locked, but it does not apply in reverse. Locking the card shall not result in either its blocking or Blacklisting and the card can still be used for Off-Line Transactions. When locked, the Digital Card cannot be used for off-Line Transactions, either. The Holder shall subsequently be entitled to unlock the locked card in the same manner.

Article 5. Complaints

- 5.1 Lodging complaints.** If you disapprove of any item settled (amount debited) as part of a transaction made

TERMS AND CONDITIONS APPLYING TO DEBIT CARDS

using the debit card or of a fee charged for a provided Banking Service, you have the right to lodge a complaint at the Point of Sale, or in another manner specified in the Guide, without any unnecessary delay after you learn of the aforesaid fact. If you fail to lodge a complaint within 30 Business Days from the receipt of relevant settlement reports (statements of accounts) or, in case of a complaint related to the delivery/provision of goods and/or services, within 80 Business Days from the agreed (expected) date of the delivery/provision, without being prevented from doing so by particularly serious reasons, you shall be deemed to fail to lodge the complaint without any unnecessary delay after you have learnt of the aforesaid fact. The time period is derived from complaints rules of relevant Card Associations. While lodging the complaint, you shall be obliged to present copies of documents relating to the transaction complained about and your full address and telephone number. Further, you undertake to provide, upon our request, additional information or documents required for the assessment of the complaint within 10 calendar days of the receipt of our request (at the latest). Any delay in providing the requested documents to us might result in cessation of complaints procedures caused by a failure to meet complaints deadlines set forth by a relevant Card Association. If the complaints procedures are dependent on cooperation from another bank, you should see to it that the Holder collaborates and attaches his/her signature to the complaints report.

- 5.2 Types of complaints.** Lodged complaints will primarily concern a purchase of goods and/or services, ATM cash withdrawals, ATM cash deposits, and services delivered by mobile telephone providers. The specific types of complaints are described in the Guide, including the directions how to proceed in specific cases.
- 5.3 Specimen signature.** For the purpose of complaints procedures related to an unauthorised use of the debit card or of identification data printed on it, the Holder's signature on the card shall be considered his/her specimen signature.
- 5.4 Bank's complaint procedure.** If we find the complaint to be justified, we shall cancel the item complained about and credit an appropriate amount back to the Account, or take another suitable measure. In case of complaints regarding unauthorised transactions, we shall proceed according to relevant provisions of the Notice on the Payment System.
- 5.5** In case of complaints concerning transactions made in other banks' networks or abroad, or any fees associated with such transactions, the complaints procedures and deadlines for handling complaints shall be governed by complaints rules of a relevant Card Association. Complaints concerning other transactions made using the debit card shall be governed by our complaints rules unless set forth otherwise herein.
- 5.6 Answer to the complaint.** We shall provide you with an answer to your complaint within 15 days from its lodging. In cases where the complaints procedures are affected by third parties' rules, we shall provide you with an answer to your complaint within 35 days from its receipt (at the latest).

Article 6. Extra Services and Information Provided along with the Debit Cards

- 6.1 Extra services.** Extra services are part of customer benefit packages offered to users of certain debit cards. As from the day following the date of execution of the Contract, or upon the receipt of the card, depending on the specific extra service, the Holders shall automatically become authorised individuals to whom the services shall be provided. We shall be entitled to cancel a provided extra service, modify it, and/or introduce a new extra service at any time, and shall be obliged to inform you of such a change by an Account statement or by other means of communication agreed upon by and between us, at least 2 months before the proposed effective date thereof.
- 6.2 Optional extra services.** Upon your consent, and having entered into a separate contract, the Holder may also utilize optional extra services currently offered by us. The use of the optional extra services shall be governed by a separate contract or by a severable part thereof. That contract can only be terminated by you or, as the case may be, by the Holder acting with your consent.
- 6.3 Providing information.** You together with the Holder hereby acknowledge that we may make available to a provider of an extra service your personal data that are necessary for the provision of such an extra service.

Article 7. Liability

Our liability for any unauthorised or erroneously performed payment transactions shall be governed by relevant provisions of the Notice on the Payment System. Dissimilarly to the provisions of the Notice on the Payment System, we shall bear any loss resulting from unauthorised transactions made with a lost, stolen or misused card using contactless technology, which are not in excess of weekly limits set by us or the Card Associations. This shall not apply in cases where the Holder causes such a loss by his/her fraudulent activities, or a breach of the duty to use

the card as required by the relevant Contract or the duty to inform us of any loss, theft, misuse or unauthorised use of the debit card or in case of an Off-Line Transaction pursuant to Article 4.18 hereof.

- 7.2 We shall not be held liable for unauthorised payment transactions and/or for any damage consequently incurred by you or the Holder in case that you fail to abide by the rules of the safe handling of the debit card, the mobile device protection rules, the PIN code or 3D Secure password set forth herein (notably under Article 10 hereof) or the Holder fails to inform us of any theft, misuse or unauthorised use of the card, PIN code or 3D Secure password within required deadlines, or if you failed to activate the debit card in the form of a Digital Card under the terms and conditions stipulated by us. If the card has been used without authorisation but a correct PIN code or single-purpose 3D Secure transaction password has been entered, though, you shall be fully liable for all transactions made while the card has been used without authorisation, until the loss, theft or suspected misuse of the card is reported to us.
- 7.3 We shall not be held liable for any erroneously performed payment transaction and possible resulting damage, if such transaction has failed due to using a device not approved to be used for the debit card processing. Any extraordinary or unexpected circumstances, and/or circumstances independent on our will, and/or such circumstances whose consequences we could not avert shall be deemed as circumstances exempting us from any responsibility for any erroneously performed payment transaction, i.e. in particular (but without limitation to): power failure, breakdown or partial malfunction of an ATM machine or payment terminal, refusal to accept the card as a means of payment for goods or services by a seller or provider (including another financial institution), etc. We shall not be held liable for any erroneously performed transactions if the card is mechanically damaged.

A third party can make the notification as per this Article on behalf of you or the Holder. With respect to the duties set forth in Article 10 hereof, should you or the Holder fail to report the loss or theft of the card within 3 Business Days from such loss or theft, or the misuse of the card within 30 business days from the receipt of settlement reports (statements) that contain information of the transaction complained about, you or the Holder shall be held liable for any damage caused by a use of the lost, stolen or misused card, no matter when you actually discover the loss, theft or misuse.
- 8.2 When notifying of a loss or theft of the debit card, the notifying person shall be obliged to disclose to us essential data necessary to identify the card, i.e., the number of the card, Holder's personal data including a place of residence, and a type of the card. The notifying person shall further be obliged to inform us about details of the loss, theft or suspected unauthorised use of the card he/she is aware of.
- 8.3 **Bank's proceedings.** Having received the notification pursuant to Articles 8.1 and 8.2 hereof, we shall place the debit card(s), including debit cards in the form of a Digital Card, on the Blacklist, unless agreed otherwise. A fee for the Blacklisting as per the Tariff of Fees shall be debited from the Account. The Blacklisting shall become effective after we issue a confirmation of the Blacklisting following the notification, and the notifying person agrees to all its terms. We shall provide details of the time of the Blacklisting upon a written request served through the Client's Point of Sale.
- 8.4 Unless the Holder refuses to be provided with a new debit card while making the notification pursuant to Articles 8.1 and 8.2 hereof, we shall provide a new card to the Holder for a fee as per the Tariff of Fees and identification cards authorising him/her to use extra services. The provisions of these Conditions shall be accordingly applied to the handover of the new card and PIN code to the Holder. The provisions of this Article shall not apply to debit cards in the form of a Digital Card. If a Digital Card has been created in the original debit card, it shall be automatically transferred to the new card and the Digital Card number shall remain the same.
- 8.5 **Alternative manner of delivery.** In case of emergency, we may agree with you or with the Holder upon an alternative place in the Czech Republic or abroad to which the new debit card and PIN code shall be delivered by a paid service.
- 8.6 **Liability for transactions after a loss, theft or misuse has been reported.** In accordance with relevant provisions of the Notice on the Payment System, we hold liability for unauthorised payment transactions and any loss or damage resulting from an unauthorised use of the debit card as from the moment the loss, theft or suspected unauthorised use of the card shall have been reported to us in the manner specified in Article 8 hereof. If the time of a specific transaction is not identifiable (e.g., from a proof of payment or

TERMS AND CONDITIONS APPLYING TO DEBIT CARDS
